- Expansion of Paid-Set-top box (IP,Satellite,Cable) to Second TV
- Choose your connection as you wish
- Just plug-in any device you want
- Watch Pay TV on your second screen

### Specification

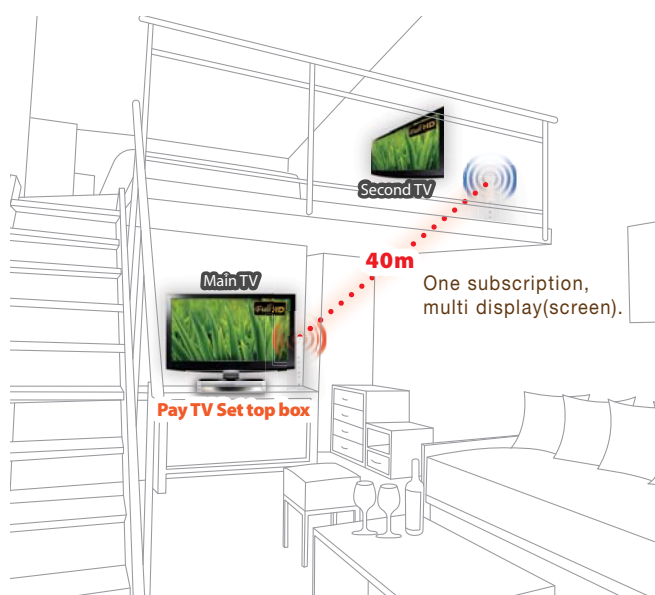

Signal Input (Transmitter)	- HDMI x 2 up to 1080p(60Hz), 1920*1080 - Composite or SCART(HALF) x 1 - RGB(D-Sub) x 1 - Stereo audio : Analog, 48kHz 16-bit ADC
Signal Output (Receiver)	- HDMI x 1 up to 1080p(60Hz), 1920*1080 - Composite or SCART(HALF) x 1 - Component x 1 - Stereo audio : Analog, 48kHz 16-bit ADC
Encoding	- H.264 - Baseline profile with Level 4.2
Wireless Connection	- Supporting IEEE802.11n - MIMO Interface
Wire Connection	- RJ-45 LAN Port - Direct Connection(LAN Cable) - PLC Modem
IR Blaster	- IR Blaster support
Antenna	- Embedded
Remocon	- Standard remocon
USB port(Receiver)	- USB port for A/S update
Size(WxDxH)	- 195 x 103 x 28mm
Weight	- Transmitter (250g) / Receiver (250g)
Power consumption	- 5V 2.5A

### Models

	COLOR	
	WHITE	BLACK
Wi-Fi integrated	HD-W100W	HD-W100B
PLC Modem	HD-P100W	HD-P100B
LAN Port (Professional Use)	HD-L100W	HD-L100B

Watch Pay TV on your second screen

Device Just plug-in any device you want
